INDIA

No. NYPM/128/4/2002

8 May 2002

The Permanent Mission of India to the United Nations presents its compliments to the Permanent Mission of South Africa to the United Nations, in its capacity as the Chairman of the Non-Aligned Movement Ministerial Conference in Durban, and has the honour to refer to the communiqué adopted by the NAM Ministerial Conference in Durban from 27-29 April 2002.

As conveyed by the Indian delegation at the Ministerial Conference, it is India's view that the Movement must concentrate on the common external challenges that continue to mount, and which all developing countries, including members of the Movement, must face unitedly. The Movement should, therefore, focus on causes that bid its members together, and shun those that divide it. It should not waste its energies, or let its unity be undermined, by pursuing agendas that are either divisive or controversial within the movement.

It is for these reasons that India opposes the proposal to have study conducted on a conflict resolution mechanism for the Movement, and wishes to convey its formal reservation to paragraph 112 of the Communiqué adopted by the NAM Ministerial Conference in Durban from 27-29 April 2002.

Besides the specific reservation on paragraph 112, the Permanent Mission of India to the United Nations would like to convey reservations on all those paragraphs contained in the final communiqué as well as other declarations adopted at the Ministerial meeting whose contents are incompatible with India's policies or legal obligations.

The Permanent Mission of India to the United Nations avails itself of this opportunity to renew to the Permanent Mission of South Africa to the United Nations the assurances of its highest consideration.
